

# Let Us Make the Our City Green

AA consumers have the right to know what is in their drinking water air The information contained in an Annual Water Quality Report can raise southof their drinking water, help consumers' awareness regarding the source their drinking water, help three consumers to understand the process by which safe drinking water is delivered to their homes, and educate consumers about the importance. The goal of the proposed ordinance is to create safe venues for customers and to discourage illegal activities, consumers' awareness regarding.

The man who sent this news, the wireless operator, was alone with his instrument on the top of a lofty building. The people remaining in the city he estimated them at several hundred thousand had gone mad from fear and drink, and on all sides of him great fires were raging. He was a hero, that man who staid by his post an obscure.

## Safe Venues for Citizens

For twenty-four hours, he said, no transatlantic airships had arrived, and no more messages were coming from England. He did state, though, that a message from Berlin that's in Germany announced that Hoffmeyer, a bacteriologist of the Metchnikoff School, had discovered the serum for the plague. That was the last word, to this day, that we of America ever received from Europe. If Hoffmeyer discovered the serum, it was too late.

If Hoffmeyer discovered the serum, it was too late, or otherwise, long ere this, explorers from Europe would have come looking for us. We can only conclude that what happened in America happened in Europe, and that, at the best, some several score may have survived the Scarlet Death.

Hundreds of these airships escaped to Hawaii, and not only did they bring the plague with them, but they found the plague already there before them. This we learned, by the despatches, until all order in San Francisco vanished, and there were no operators left at their posts to receive or send. It was amazing, astounding.

*The two halted, the nearer to us standing and facing Sunbury, a grey indistinctness towards the evening star.*

*– James Doeh*

I was telling about the airships of the rich. They carried the plague with them and no matter where they fled, they died. I never encountered but one survivor of any of them Mungerson. He was afterwards a Santa Rosan, and he married my eldest daughter. He came into the tribe eight years after the plague. He was then nineteen years old, and he was compelled to wait twelve years more before he could marry.
